**II. LAND USE:**

**A. Dillman Subdivision**

The Plan proposes the subdivision of an existing 21.955-acre parcel into two parcels. New Lot No.1 (2.14-acres) is proposed for single family residential use and will be served by on lot sanitary sewage and on lot water supply. The residual lot will be 18.259-acres and will remain open space. The property is located off School Rd. in Rural Residential District.

The Planning Commission would like to recommend to the BOS, conditional approval of the Dillman Subdivision, contingent on comments being satisfied from ARRO Consulting's letter dated Feb. 21, 2025, Bill Brior and Schuylkill County Planning Commission. If Board agrees, Motion to adopt Resolution #11 of 2025, Conditional Approval of the Dillman Subdivision.
